## About Acquia

Acquia is a commercial open source software company. We provide an incredibly valuable set of software and network services for the popular Drupal open source social publishing system. At Acquia, our goal is to maximize the potential of Drupal-powered solutions. We do that by offering annual subscriptions for software and services.

### Acquia Network Services

The Acquia Network completes the Drupal experience by providing the support and network services to operate trouble-free Drupal 6.x websites. Drupal users range from single users to enterprise companies serving a global audience. Four levels of Acquia Network subscriptions are available to meet your service needs – Basic, Professional, Enterprise, and Elite.

## Acquia Network Basic Subscribers

Basic subscriptions are a good fit for personal blogs, micro-communities, family sites, small non-profit groups and religious organizations. Often operating on a small budget, these sites suffer no significant impact from downtime. Basic subscriptions minimize the risks of security vulnerabilities, upgrade incompatibilities, and user-generated content spam and abuse that can consume scarce resources and frustrate site visitors.

### Benefits of Basic Subscription

#### Acquia Network Protection

Basic subscribers benefit from Acquia Network services, enabling users to quickly build robust Drupal sites. The Acquia Network helps users keep their sites up to date, secure, and spam free. When a need for more complete support emerges, subscription upgrades are always available.

#### Acquia Community Support

The Basic subscription provides smaller sites with access to peer-led guidance and expert assistance through the Acquia Subscriber forums.

For Acquia Network Basic subscribers, Drupal creates rich web experiences. A Basic subscription to the Acquia Network ensures that your Drupal site remain stable and secure.

Acquia Network Basic subscriptions start at \$349 annually. For more information, contact Acquia Sales at [sales@acquia.com](mailto:sales@acquia.com), 888-9-ACQUIA or +1-978-296-5250.
